**Sheikh ul Islam and Mujaddid Muhammad bin Abdul-Wahhab may Allah have mercy on him said:**

**In the Name of God, Most Gracious, Most Merciful**

**Know that the Nullifiers of Islam are ten:**

**The First Nullifier; Shirk (associating partners) in the worship of Allah.**

**Allah Ta'ala says:**

***Verily, Allah does not forgive that partners be associated with Him in worship (i.e., Shirk), but***

***He forgives what is less than that to whom He wills. [4:48 and 4:116]***

**And He Ta'ala says:**

***Verily, the one who mixes partners in worship with Allah (Shirk), then Paradise has been made forbidden for him and his final abode will be the Hellfire. And the wrongdoers will not have any helpers (in Hell). [5:72]***

**What falls into this is performing sacrifices to someone other than Allah, such as the person who offers a sacrifice to the Jinn or to a grave.**

**The Second Nullifier; Whoever places intermediaries between himself and Allah, calling unto them and asking intercession from them, and seeking reliance in them, has committed disbelief according to the Ijmaa (unanimous agreement).**

**The Third Nullifier; Whoever does not hold the polytheists to be disbelievers, or has doubts about their disbelief or considers their ways and beliefs to be correct, has committed disbelief.**

**The fourth Nullifier; Whoever believes that some guidance other than that of the Prophet's**

**peace be upon him is more complete than his guidance and that someone else's judgement is better than his judgment, such as the one who prefers the judgement of the Tawaghith over his judgment, then he is a disbeliever.**

**The Fifth Nullifier; Whoever hates something that the Messenger of Allah peace be upon him came with, even though he may act on it, has disbelieved.**

**The Sixth Nullifier; Whoever mocks or ridicules any part of the Messenger's Religion or its rewards or punishments has committed an act of disbelief. The proof for this is Allah's statement:**

***Say: Was it Allah and His verses and His Messenger that you were mocking? Make no excuses, you have disbelieved after having had faith. [9:65-66]***

**The Seventh Nullifier; Sorcery, which includes magic spells that cause a person to hate something he seeks after (sarf) or love something he doesn't seek after ('atf). So whoever performs it or is pleased with it being done, has committed disbelief. The proof for this is Allah's statement:**

*And neither of these two (angels) would teach anyone until they had first said to them: We are only a trial (for the people), so do not commit disbelief. [2:102]*

**The Eighth Nullifier; Supporting and assisting the polytheists against the Muslims.** The proof for this is Allah's statement:

*And whoever amongst you takes them (i.e., the disbelievers) as allies and protectors then he is indeed from among them. Verily, Allah does not guide a wrong-doing people. [5:51]*

**The Ninth Nullifier; Whoever believes that it is permitted for some people to be free of (implementing) the Shari'ah of Muhammad (i.e., Islam), just as it was permitted for al-Khidr to be free from the Shari'ah of Mousa peace be upon him, then he is a disbeliever.**

**The Tenth Nullifier; Turning away from Allah's Religion, not learning it or implementing it (is an act of disbelief).** The proof for this is Allah's saying:

*And who does more wrong than he who is reminded of the ayat (signs/verses) of his Lord, then turns away from them. Verily, We*

***shall extract retribution from the criminals. [32:22]***

**There is no difference, with regard to (committing any of) these nullifiers, between the one who jokes, the one who is serious or the one who does so out of fear. However, the one who commits them due to being coerced (is excused). We seek refuge in Allah from those things that bring about His Anger and painful Punishment. May the peace and blessing be on the best of His creatures, Muhammad.”**

**10 nullifiers of Islaam by Shaykh Ibn Baaz**

**All praise is due to Allaah Alone. Peace and blessings be upon the Last Prophet, his family,**

**Companions and those who follow his guidance.**

**A Muslim should know that Allaah (may He be Praised) enjoins all the creation to embrace**

**Islaam, hold it firmly and avoid what contradicts it.**

**Allaah sent His Prophet Muhammad**

**(peace be upon him) to call for that, informing them that whoever follows him will be**

**guided and whoever turns away from him will be misguided. In many Ayahs (Qur'aanic**

**verses), Allaah warned people against causes of apostasy and all forms of Shirk (associating**

**others with Allaah in His Divinity or worship) and Kufr (disbelief). Under the topic of the**

**rulings of the apostate, scholars (may Allaah be merciful with them) mentioned that a**

**Muslim may abandon Islaam by committing one of the nullifiers that make his blood and**

**money violable and turn him out of the fold of Islaam.**

**The most dangerous and common**

**ten nullifiers are mentioned by Shaykh and Imaam Muhammad ibn `Abdul-Wahhab and**

**other scholars (may Allaah be merciful with them).**

**Here we will list them in brief so that a**

**Muslim can keep away from them and warn people  
against them in hope for safety and**

**wellbeing. We will briefly elaborate on them.**

**First: Shirk in the worship of Allaah. Allaah (Exalted  
be He) says: [Verily, Allaah forgives not**

**that partners should be set up with Him (in worship),  
but He forgives except that (anything else) to**

**whom He wills.]**

**1 He (Exalted be He) also says: [Verily, whosoever sets  
up partners (in worship)**

**with Allaah, then Allaah has forbidden Paradise to  
him, and the Fire will be his abode. And for the**

**Zaaleemoon (polytheists and wrong-doers) there are  
no helpers.]<sup>2</sup>**

**This includes invoking the**

**dead and seeking relief, vowing or offering sacrifice  
for them.**

**Second: Whoever takes intermediaries between him  
and Allaah, invokes, and asks them for**

**intercession with Allaah and puts his trust in them  
has committed Kufr (disbelief) according**

**to the Ijma` (consensus) of scholars.**

**Third: Whoever does not hold the polytheists to be  
disbelievers, has doubts about their**

**disbelief or considers their ways and beliefs to be  
correct has committed disbelief.**

: Whoever believes that some guidance other than that of the Prophet ﷺ (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ)

4

is more complete than his guidance or that someone else's judgment is better than his judgment, such as those who prefer the judgment of the Taaghoot (false gods) over his judgment, then he is a disbeliever.

**Fifth: Whoever hates something that the Messenger ﷺ (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) (came with, even though he may act on it, has disbelieved. Allaah (Exalted be He) says: [That is because they hate that which Allaah has sent down (this Qur'aan and Islaamic laws, etc.); so He has made their deeds fruitless.]<sup>15</sup>**

**Sixth: Whoever mocks or ridicules any part of the Messenger's ﷺ (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) (religion, its rewards or punishments has committed an act of disbelief. Allaah (Exalted be He) says: [Say: "Was it at Allaah (عزوجل)]**

, and His Aayaat (proofs, evidence, verses, lessons, signs, revelations) and

His Messenger ﷺ (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) (that you were mocking?" Make no excuse; you disbelieved after you had believed.]7

**Seventh: Sorcery, which includes magic spells that cause a person to hate or love**

someone/something. Whoever practices it or is pleased with it commits disbelief. The proof

for this is the saying of Allaah (Exalted be He): [but neither of these two (angels) taught anyone

(such things) till they had said, "We are only for trial, so disbelieve not (by learning this magic from

us)."]8

**Eighth: Supporting and assisting the polytheists against the Muslims. The proof for this is**

the saying of Allaah (Exalted be He): [And if any amongst you takes them as Auliya', then surely

he is one of them. Verily, Allaah guides not those people who are the Zaaleemoon (polytheists and

wrong-doers and unjust).]9

**Ninth: Whoever believes that it is permitted for some people to be free of (implementing)**

**the Sharee'ah (Islaamic law) brought with Muhammad ﷺ ,(then he is a disbeliever.**

**Allaah (Exalted be He) says: And whoever seeks a religion other than Islaam, it will never be**

**accepted of him, and in the Hereafter he will be one of the losers.**

**3**

**The Fourth Nullifier includes those who believe that man-made laws and constitutions are better than the Sharee'ah of**

**Islaam, equal to it, or that it is permissible to resort to them for judgment even if he believes that the judgment of**

**Sharee'ah is better. Likewise, whoever believes that it is not correct to implement the Laws of Islaam in the twentieth**

**century, that this is a cause for the fall of Muslims, or that it is limited to relationship between the servant and his Lord**

and should not interfere in the other affairs of life.

The fourth category also includes those who hold that carrying out

Allaah's laws, such as cutting off the hand of a thief or stoning a guilty adulterer is not befitting for this modern era. This

category includes those who believe that it is permissible to rule by something other than the Laws of Allaah (Sharee'ah)

in matters of transactions, Hoodood (prescribed penalties) and so on, even if he does not believe that it is better than

ruling by the Sharee'ah. This is because, by doing that, he makes lawful that which Allaah forbade, according to the

consensus of scholars. Similarly, whoever makes lawful that which Allaah has prohibited and this prohibition is

indisputably established, such as adultery, Khamr (intoxicant), Riba (usury/interest) and ruling by anything other than

**the Sharee'ah, then he is a disbeliever according to  
the consensus of Muslim scholars.**

Verily, We shall exact retribution from the Mujreemoon (criminals, disbelievers, polytheists, sinners).]10**

**There is no difference in committing these nullifiers between the one who utters them in humour, seriously, or even out of fear except for a person who says them under coercion.**

**All of these (ten) matters are the gravest nullifiers that most often occur. A Muslim must beware of and keep away from these acts. We seek refuge with Allaah from the things that entail His anger and severe punishment. May Allaah's Peace be upon the best of His Creation Muhammad, his family, and Companions!**

Islaam, hold it firmly and avoid what contradicts it.

Allaah sent His Prophet Muhammad

(peace be upon him) to call for that, informing them that whoever follows him will be

guided and whoever turns away from him will be misguided. In many Ayahs (Qur'aanic

verses), Allaah warned people against causes of apostasy and all forms of Shirk (associating

others with Allaah in His Divinity or worship) and Kufr (disbelief). Under the topic of the

rulings of the apostate, scholars (may Allaah be merciful with them) mentioned that a

Muslim may abandon Islaam by committing one of the nullifiers that make his blood and

money violable and turn him out of the fold of Islaam.

The most dangerous and common

ten nullifiers are mentioned by Shaykh and Imaam Muhammad ibn `Abdul-Wahhab and

other scholars (may Allaah be merciful with them).

Here we will list them in brief so that a

**Muslim can keep away from them and warn people against them in hope for safety and**

**wellbeing. We will briefly elaborate on them.**

**First: Shirk in the worship of Allaah. Allaah (Exalted be He) says: [Verily, Allaah forgives not**

**that partners should be set up with Him (in worship), but He forgives except that (anything else) to**

**whom He wills.]**

**1 He (Exalted be He) also says: [Verily, whosoever sets up partners (in worship)**

**with Allaah, then Allaah has forbidden Paradise to him, and the Fire will be his abode. And for the**

**Zaaleemoon (polytheists and wrong-doers) there are no helpers.]<sup>2</sup>**

**This includes invoking the**

**dead and seeking relief, vowing or offering sacrifice for them.**

**Second: Whoever takes intermediaries between him and Allaah, invokes, and asks them for**

**intercession with Allaah and puts his trust in them has committed Kufr (disbelief) according**

**to the Ijma` (consensus) of scholars.**

**Third: Whoever does not hold the polytheists to be disbelievers, has doubts about their disbelief or considers their ways and beliefs to be correct has committed disbelief.**

**Fourth**

**3**

**: Whoever believes that some guidance other than that of the Prophet (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ)**

**4**

**is more complete than his guidance or that someone else's judgment is better than his judgment, such as those who prefer the judgment of the Taaghoot (false gods) over his judgment, then he is a disbeliever.**

**Fifth: Whoever hates something that the Messenger صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ (came with, even though he may act on it, has disbelieved. Allaah (Exalted be He) says: [That is because they hate that which Allaah has sent down (this Qur'aan and Islaamic laws, etc.); so He has made their deeds fruitless.]<sup>15</sup>**

**Sixth: Whoever mocks or ridicules any part of the Messenger's صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ (religion, its rewards or punishments has committed an act of disbelief. Allaah (Exalted be He) says: [Say: "Was it at Allaah (عزوجل) (**

**6**

**, and His Aayaat (proofs, evidence, verses, lessons, signs, revelations) and**

His Messenger ﷺ (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ) (that you were mocking?” Make no excuse; you disbelieved after you had believed.]<sup>7</sup>

**Seventh: Sorcery, which includes magic spells that cause a person to hate or love**

**someone/something. Whoever practices it or is pleased with it commits disbelief. The proof**

**for this is the saying of Allaah (Exalted be He): [but neither of these two (angels) taught anyone**

**(such things) till they had said, “We are only for trial, so disbelieve not (by learning this magic from us).”]<sup>8</sup>**

**Eighth: Supporting and assisting the polytheists against the Muslims. The proof for this is**

**the saying of Allaah (Exalted be He): [And if any amongst you takes them as Auliya’, then surely**

**he is one of them. Verily, Allaah guides not those people who are the Zaaleemoon (polytheists and**

**wrong-doers and unjust).]<sup>9</sup>**

**Ninth: Whoever believes that it is permitted for some people to be free of (implementing)**

**the Sharee'ah (Islaamic law) brought with  
Muhammad ﷺ (صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ), (then he is a  
disbeliever.**

**Allaah (Exalted be He) says: And whoever seeks a  
religion other than Islaam, it will never be  
accepted of him, and in the Hereafter he will be one  
of the losers.**

**3**

**The Fourth Nullifier includes those who believe that  
man-made laws and constitutions are better than the  
Sharee'ah of**

**Islaam, equal to it, or that it is permissible to resort to  
them for judgment even if he believes that the  
judgment of**

**Sharee'ah is better. Likewise, whoever believes that it  
is not correct to implement the Laws of Islaam in the  
twentieth**

**century, that this is a cause for the fall of Muslims, or  
that it is limited to relationship between the servant  
and his Lord**

and should not interfere in the other affairs of life.

The fourth category also includes those who hold that carrying out

Allaah's laws, such as cutting off the hand of a thief or stoning a guilty adulterer is not befitting for this modern era. This

category includes those who believe that it is permissible to rule by something other than the Laws of Allaah (Sharee'ah)

in matters of transactions, Hoodood (prescribed penalties) and so on, even if he does not believe that it is better than

ruling by the Sharee'ah. This is because, by doing that, he makes lawful that which Allaah forbade, according to the

consensus of scholars. Similarly, whoever makes lawful that which Allaah has prohibited and this prohibition is

indisputably established, such as adultery, Khamr (intoxicant), Riba (usury/interest) and ruling by anything other than

**the Sharee'ah, then he is a disbeliever according to  
the consensus of Muslim scholars.**

The proof for this statement is the saying of Allaah: [And who does more wrong than he who is reminded of the Aayaat (proofs, evidence, verses, lessons, signs, revelations, etc.) of his Lord, then turns aside therefrom? Verily, We shall exact retribution from the Mujreemoon (criminals, disbelievers, polytheists, sinners).]10**

**There is no difference in committing these nullifiers between the one who utters them in humour, seriously, or even out of fear except for a person who says them under coercion.**

**All of these (ten) matters are the gravest nullifiers that most often occur. A Muslim must beware of and keep away from these acts. We seek refuge with Allaah from the things that entail His anger and severe punishment. May Allaah's Peace be upon the best of His Creation Muhammad, his family, and Companions!**

**May Allaah guide all of us to what pleases Him. May Allaah guide us and all Muslims to His straight path!**

**Know that the Nullifiers of Islam are ten:**

**The First Nullifier; Shirk (associating partners) in the worship of Allah.**

**Allah Ta'ala says:**

***Verily, Allah does not forgive that partners be associated with Him in worship (i.e., Shirk), but He forgives what is less than that to whom He wills. [4:48 and 4:116]***

**And He Ta'ala says:**

***Verily, the one who mixes partners in worship with Allah (Shirk), then Paradise has been made forbidden for him and his final abode will be the Hellfire. And the wrongdoers will not have any helpers (in Hell). [5:72]***

**What falls into this is performing sacrifices to someone other than Allah, such as the person who offers a sacrifice to the Jinn or to a grave.**

**The Second Nullifier; Whoever places intermediaries between himself and Allah, calling unto them and asking intercession from them, and seeking reliance in them, has committed disbelief according to the Ijmaa (unanimous agreement).**

**The Third Nullifier; Whoever does not hold the polytheists to be disbelievers, or has doubts about their disbelief or considers their ways and beliefs to be correct, has committed disbelief.**

**The fourth Nullifier; Whoever believes that some guidance other than that of the Prophet's peace be upon him is more complete than his guidance and that someone else's judgement is better than his judgment, such as the one who prefers the judgement of the Tawaghith over his judgment, then he is a disbeliever.**

**The Fifth Nullifier; Whoever hates something that the Messenger of Allah peace be upon him came with, even though he may act on it, has disbelieved.**

**The Sixth Nullifier; Whoever mocks or ridicules any part of the Messenger's Religion or its rewards or punishments has committed an act**

**of disbelief. The proof for this is Allah's statement:**

***Say: Was it Allah and His verses and His Messenger that you were mocking? Make no excuses, you have disbelieved after having had faith. [9:65-66]***

**The Seventh Nullifier; Sorcery, which includes magic spells that cause a person to hate something he seeks after (sarf) or love something he doesn't seek after ('atf). So whoever performs it or is pleased with it being done, has committed disbelief. The proof for this is Allah's statement:**

***And neither of these two (angels) would teach anyone until they had first said to them: We are only a trial (for the people), so do not commit disbelief. [2:102]***

**The Eighth Nullifier; Supporting and assisting the polytheists against the Muslims. The proof for this is Allah's statement:**

***And whoever amongst you takes them (i.e., the disbelievers) as allies and protectors then he is indeed from among them. Verily, Allah does not guide a wrong-doing people. [5:51]***

**The Ninth Nullifier; Whoever believes that it is permitted for some people to be free of (implementing) the Shari'ah of Muhammad (i.e., Islam), just as it was permitted for al-Khidr to be free from the Shari'ah of Mousa peace be upon him, then he is a disbeliever.**

**The Tenth Nullifier; Turning away from Allah's Religion, not learning it or implementing it (is an act of disbelief). The proof for this is Allah's saying:**

*And who does more wrong than he who is reminded of the ayat (signs/verses) of his Lord, then turns away from them. Verily, We shall extract retribution from the criminals. [32:22]*

There is no difference, with regard to (committing any of) these nullifiers, between the one who jokes, the one who is serious or the one who does so out of fear. However, the one who commits them due to being coerced (is excused). We seek refuge in Allah from those things that bring about His Anger and painful Punishment. May the peace and blessing be on the best of His creatures, Muhammad.”
